University of Connecticut
College of Agriculture and Natural Resources

*School, Major and/or
Advisor Change Form*

**Application to Change
School, Major and/or Advisor**

Please be sure to carefully read the instructions below.

Instructions:

1. You may use this form to change your School, Major, and Advisor or any combination of the three options.
2. Complete the Student Section below and bring this form along with your unofficial transcript to the department that offers the major you wish to change to. See below for departmental contact information and office locations.

Please Note – Individual departments may have additional requirements, deadlines, and/or forms. The **Allied Health Sciences** (AHS) major has additional requirements, deadlines, and forms that must be submitted to the AHS department when requesting Departmental Approval. For specific information on this, students requesting the AHS major must go to:

www.alliedhealth.uconn.edu > admissions > allied health sciences major > continuing students.

These items must be submitted to the AHS department when requesting Departmental Approval. Other departments may also have additional requirements.

3. After obtaining departmental signature, bring this form and your unofficial transcript to the CANR Office of Academic Programs (Young 211) for Dean's Approval and processing.
4. You will be informed through Huskymail if/when the change has been approved and processed.

Please Note:

- **Regional campus students** are required to fill out only the student section of this form. Other documentation may also be required (see #2 above). Once completed, please have your regional campus advisor fax this form and other supporting documentation (including your unofficial transcript and additional information if applicable) to CANR Academic Programs at 860-486-4643.

Departmental Contact Information:

Agricultural & Resource Economics:

W.B. Young Building, Room 318
