Camperships are available on a limited basis. 4-H camp is provided on a nondiscriminatory basis and, as such, is open to all without regard to race, color, age, national origin, sex, religion or disability. The University of Connecticut Cooperative Extension System is an equal opportunity employer and program provider. To file a complaint of discrimination, write USDA, Director; Office of Civil Rights; Room 326-W, Whitten Building, Stop Code 9410; 1400 Independence Avenue, SW; Washington, DC 20250-9410, or call (202) 720-5964.

## WELCOME TO 4-H CAMP ...

*4-H Camp is where learning  
for living is fun!*

**E**xploring and discovering, encouraging and challenging; that's what 4-H camping is all about. At four educational/recreational sites in Connecticut, 4-H campers have fun learning about themselves and the world. They have a great time making new friends in an out-of-doors setting. Campers have fun growing socially, intellectually and emotionally at 4-H camp.

Campers need not be 4-H members or live in towns near the camp. They sometimes attend with a friend and can request to be in the same cabin if they are the same age and sex. Transportation to and from camp is the responsibility of the parent.

Campers arrive at camp for one-week sessions on Sunday afternoons and depart after a closing program on Friday night. (Departure is Saturday morning at Hartford.)

Each camp has an open house in the spring for families to visit and meet the director. Call for dates or other arrangements to visit the facilities.

We offer one of the biggest camping bargains around! Camp fees are kept low with the help of numerous 4-H volunteers who work throughout the year to raise money in support of the camp program and spend hours maintaining the facilities.
